This event has been generously sponsored by holidaycottages.co.uk and will support the running costs of the event. **All entry fees will go direct to AYC Schools Sailing Trust.**

AYC Schools Sailing Trust is the club's charity that has been set up to get young people from schools and youth groups in the Suffolk community on the water to benefit from the life skills that sailing, and water-based sports, can encourage.

The programme relies on corporate sponsors, members' donations, and the team of 50+ volunteers who give their time – many of whom have trained as Safety Boat Helms and Assistant Instructors. The programme also provides additional work for AYC's young instructors throughout June.
